Ryan, you need to go to the web and get a General Application fill it out, get it to me either by Email or by hand. Then meet with Police (Bob Cowan has retired) I think it is Chris Prehl who is now doing it, I am sure Chief W. will forward to the right person in his organization. I will forward this to the Highway to respond to the Cone request. Once it is filed, It will go on the BOS Agenda, please don't wait until the last minute and try to file it for the first October Meeting of the Bos. Good Luck

Chief F and Kevin, no need to do anything, just letting you know of possible traffic issues on the 24<sup>th</sup> and potential complications with traffic

**Subject:** Fourth Annual ActonTurkey Trot

Hi Christine,

Thank you for helping us get past Selectmen's approvals and permits to hold previous year's Acton Turkey Trots. Can you help us get approval to hold this year's trot on November 23rd the Friday after Thanksgiving Day. If possible we would like to borrow 150 traffic cones from the highway department again this year. We look forward to working with the Acton Police again to get Police Details. We want to do the same route as last year with having it start and stop on the high school track.

Previous Trots have proven to be a great events that have been a nice mixture of a family fun run and race for serious runners. The past race results are posted on [www.coolrunning.com](http://www.coolrunning.com). I am happy to go to a selectmen's meeting if you think that would be helpful.

We are hoping to raise more money from sponsors and get a few more runners/family walkers by starting earlier this year. Last year we had over 400 sign up and over 300 people that actually did the race. We were able to donate some food that race participants brought with them and over \$6500 to the

pantry.

Thank you and please let me know what I should do to help get this approved.
